PRESIDENT HUGO RAFAEL CHAVEZ – FRIAS and others because we freely decided to support the SOCIALIST Bolivarian government in order to dissent against oligarchy which ruined our country. With the current government, we have received many benefits and it has allowed us to fulfill the dreams and political ideal of the Bolivarian Revolution, which is widely democratic, which determines our future and the future of our children.

Besides Venezuelans, our NGO is formed by friend members of other nationalities and who are completely identified, happy and supporting THE SITUATION OF GREATNESS AND SOVEREIGNTY that we had not lived for so long in our beautiful country, which is lead by his highness lieutenant colonel Hugo Rafael, and where hundreds of thousands of Venezuelans live in better conditions without having the need to seek refuge in the United States, as Venezuelan worms, many of whom in that unfriendly place which is so different from our culture, who are there illegally and are in danger of being deported (THEY DESERVE IT) at any time due to the democratic laws of the USA, WHICH CONSIDERS ITSELF A FREE AND DEMOCRATIC COUNTR, BUT WITH ITS XENOPHOBY TOWARDS HISPANICS DETERIORATES THE FREE WAY OF LIFE, DIFFERENT FROM THAT WE CURRENTLY HAVE IN OUR BEAUTIFUL COUNTRY VENEZUELA. AND ALL OF THESE THINGS BECAUSE OF THE DREAM AS PRESIDENT HUGO CHAVEZ, DEMOCRATICALLY ELECTED FOR ALL PROGRESSIVE AND TRULY DEMOCRATIC VENEZUELANS.

It is important to clear up that, even though we were born as a consequence of the political and human rights conditions that prevail AND ARE RESPECTED in Venezuela, we are a social and political organization, WITH OUR FOREHEAD COMPLETELY RAISED UP.

“AND NOT hiding AS OTHER WORM VENEZUELANS, JUST AS THE SCUM CUBAN WORM WHO ALSO LIVES IN THE USA, WHO TRY TO HIDE BEHIND WEB PAGES AND ARE NOT MANIFESTED IN POLITICAL ACTS, SUCH AS THIS WRITING AND ALL WRITING ABOUT TO BE MADE”.

We are a Social Organization with three fundamental objectives:

1. To assume the challenge to open up the way to REMAIN IN POWER that hundreds of thousands Venezuelans SUPPORT. EVEN THOSE who are in the EE.UU. as CITIZENS WHO HAVE attained a temporary migratory protection and a later permanent residency by the Government of the Venezuelans.
2. To offer and Integral Center of Support to Venezuelans, especially those who have been recently deported by the government of the US FOR NOT AGREEING WITH THE POLICIES OF THAT GREAT TERRORIST BUSH (which number increases daily), so they can adapt themselves to the NEW REALLY BOLIVARIAN DEMOCRATIC system.
3. To promote among its members the principles of SOCIALISM, solidarity, service, mutual coexistence, and those which will allow us to materialize the unity of all Venezuelans THROUGHOUT LATINAMERICA in order to reach the objectives set.

WATCH OUT: The current Board of Directors of ORVEX is formed by the following CRIMINALS:

- President: Elio Cruz Aponte-Pons
- Secretary: Luz Aidee Osorio-Murillo
- Treasurer: Patricia Balabu-Stredel

To all of these three members, and to all of those who form the structure of that ORVEX,

FROM COLOMBIA OUR COMMUNAL BOLIVARIAN MOVEMENT,  
**DECLARES YOU MILITARY OBJECTIVES.**

In Orvex\_MCB.org we believe that if all Venezuelans unite ourselves, just as all Cubans and Nicaraguans have done it, we will achieve great things, among them to MAINTAIN THE BOLIVARIAN REVOLUTION, to remove all worm

Venezuelans to the U.S. such as Marcel Granier AND OTHER CRIMINALS and a future permanent residency for all WORM VENEZUELANs in Exile, no matter if they are TURNCOATS and are illegally in the U.S., in such a sad nation in decay that the American Nation is, which kindly would give them refuge.

In Orvex\_MCB.org we are open to receive new members throughout the World, including the democratic brethrens in the territory of the United States, in order to consolidate the organization structure and volunteers at Colombia, Venezuela, and the World.
